Conditions for photography and video in the Hortus Amsterdam

The Hortus allows the following types of photography and film shoots: celebratory photography (weddings, engagements, etc.), amateur shoots (Instagram, study projects) and professional shoots. All photoshoots must be booked in advance. When booking a photoshoot in the Hortus, the client agrees with the following conditions. When one of these conditions is violated according to the Hortus, the Hortus is allowed to cancel or stop the photo shoot immediately and possibly ask the client to leave the premises.

1. Photo or film shoots must always be booked in advance. The client must be in possession of a valid admission ticket for a photo shoot in the Hortus and any additional admission tickets for persons.
2. The client is familiar with the general terms and conditions for visitors to the Hortus and will stick to that too. (<https://www.dehortus.nl/en/bezoek/huisregels/>)
3. During opening hours of the Hortus, greenhouses or other areas cannot be closed off to the regular public by the client.
4. The use of drones for photo or film shoots is not permitted in the Hortus.
5. Changing rooms can be booked separately in advance if available. It is not allowed to change clothes in the greenhouses or in the garden.
6. The client will stay on the paths. It is not allowed for models or crew to stand between the plants and/or in the beds. Also, no material (tripod, light sources) can be placed in the beds between the plants.
7. The client declares that they are aware of the vulnerability of the plant collection and will act accordingly. Any damage caused will be charged to the client
8. Plants, information signs and other Hortus property in the garden and greenhouses may not be moved by the client.
9. The client must follow the instructions of Hortus staff.
10. The client declares to be aware of the public function of the Hortus and ensures that other visitors are disturbed as little as possible.
11. The client is responsible for ensuring that other visitors in the Hortus do not appear in the picture, or appear unrecognisable, and is responsible for any violations that may arise as a result.
12. When publishing the photo/film material, please use the Hortus Botanicus Amsterdam as the location or link us on social media via @hortusamsterdam #hortusamsterdam.
